

Secure, Dock and Charge Your TabletKiosk® Sahara Slate PC® Tablet PCs with the One and Only...

ReadyDock™-SA

ReadyDock™-SA stands alone in today's marketplace

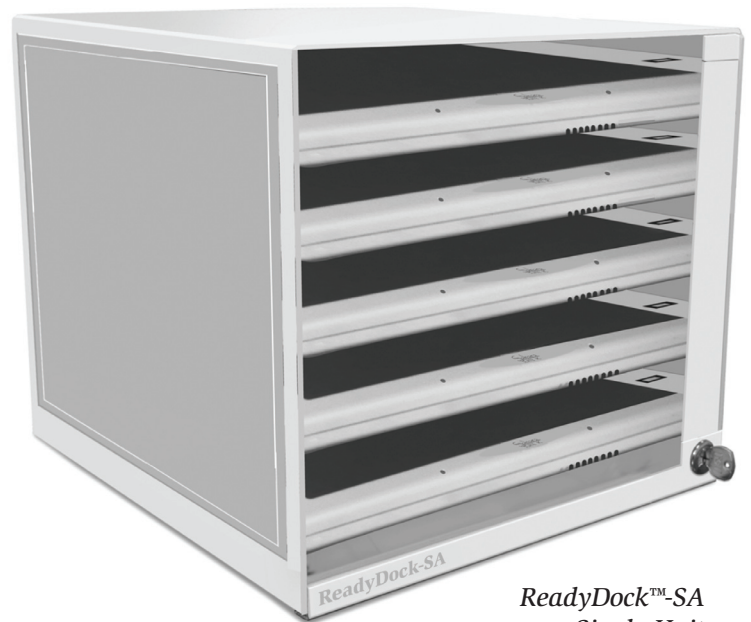

ReadyDock™ has captured the interest of hundreds of customers throughout the United States since its release in 2004.

This popular storage and charging unit is now available for TabletKiosk's Sahara Slate PC i400 series of Tablet PCs.

The ReadyDock™-SA is designed with your environment in mind. It is made of a white powder coated metal which cleans effortlessly. The cabinet is lightweight and can be configured to store/charge 5, 10, or 20 tablets. This allows you to configure your ReadyDock™-SA for optimal space management. The ReadyDock™-SA is the most efficient way to house, charge and secure your valuable Sahara Slate PCs.

Benefits:

- Centralized Tablet Storage
- Centralized Tablet Management
- Securely locked cabinets
- No messy power supply set up
