## **Avox Ultra Mobile PC ARRIVES IN AUSTRALIA**

Tegatech Australia forms Exclusive alliance with Taiwanese Giant, Ruvo

Thursday, February 07, 2008

Australia's only Ultra Mobile PC (UMPC) and Tablet PC specific Distributor, Tegatech Australia, today released pricing for its latest offering in their range. Via a newly formed **EXCLUSIVE** partnership with ODM Manufacturer, Ruvo Taiwan – a division of Hybrinix Technology - Tegatech has solidified its position in the Australia/NZ marketplace. Awarded the role of Exclusive Master Distributor in the region for the newly released **A65U1 Avox**, Tegatech is rapidly increasing its status as industry leader.

The Avox is a mini handheld Personal Computer (Ultra Mobile PC) that runs Microsoft Windows XP Home Edition. It ships as a 6.5" touchscreen and comprises of a VIA C7M ULV 1.2 GHz Processor, 30GB hard disk and 768MB of RAM). It offers WiFi and Bluetooth, multi card reader, and the standard battery boasts over 4hrs battery life. The Avox ships with an integrated QWERTY keyboard so input of data is easy and designed to increase productivity. Weighing in at slightly under 700gramms the Avox definitely lives up to its moniker, i.e. Ultra Mobile.

Remarkably the unit has a retail price of \$1,199 (GST Inclusive) and sits nicely with the newly announced WiBrain (at \$999) as the best valued UMPC in Australia!

About Ruvo:

In an age where technology shapes the world, Ruvo is leading the way in hybrid technology. As a global company, Ruvo combines its worldwide resources to create the next generation of top-notch computers, notebooks and other digital gadgets for your convenience.

With practical ideas and innovative designs, Ruvo creates a lifestyle of convenience that can be enjoyed by everyone, everywhere. With futuristic style on the outside and hybrid technology on the inside, Ruvo is about enjoying the comfort and convenience of technology.

About Tegatech Australia:

Tegatech Australia is a privately owned Company that has been in operation since 2003 as Australia's only UMPC and Tablet PC specific Distributor. With a growing Channel of Resellers interested in Tablet PC the Company has experienced rapid growth. Tegatech's network of Authorised Resellers span both Australia and New Zealand. A strong collaboration with Microsoft Australia means that Resellers are supplied a steady source of Information and fed opportunities to leverage their own sales. With a strong commitment to conducting UMPC related training the Company is continuously providing support to the community.

Tegatech is currently looking for more Resellers to join their growing database.
