## **WiBrain Ultra Mobile PC ARRIVES IN AUSTRALIA**

Tegatech Australia forms Exclusive alliance with WiBrain Korea

Tuesday, January 15, 2008

Australia's only Ultra Mobile PC (UMPC) specific Distributor, Tegatech Australia, today released pricing for its latest offering in their range. Via a newly formed EXCLUSIVE partnership with OEM Manufacturer, WiBrain Korea, Tegatech has solidified its position in the Australia/NZ marketplace. Awarded the role of Exclusive Master Distributor in the region for the newly released WiBrain B1E and B1H, Tegatech is rapidly increasing its profile.

The WiBrain is a mini handheld Personal Computer that runs Microsoft Windows XP Home Edition. It ships as a 4.8" touchscreen and comprises of a VIA C7M ULV 1.2 GHz Processor, 30GB or 60GB hard disk and 512 or 1GB of RAM). Both models offer WiFi and Bluetooth, and the standard battery boasts over 4hrs battery life. The WiBrain ships with an integrated QWERTY keyboard so input of data is easy and designed to increase productivity. Weighing in at slightly over 500gramms the WiBrain definitely lives up to its moniker, i.e. Ultra Mobile.

About WiBrain:

WiBrain is a new OEM Manufacturer that went into development with the intention of competing against the bigger players in the UMPC space through their first offering, the B1E and B1H. The Organisation focuses on building reliable and well thought out products. One of WiBrain's strengths is their ability to grow market share via strategic partnerships; for this reason they have chosen Tegatech Australia to represent them in the Australia/New Zealand marketplace.

About Tegatech Australia:

Tegatech Australia is a privately owned Company that has been in operation since 2003 as Australia's only UMPC and Tablet PC specific Distributor. With a growing Channel of Resellers interested in Tablet PC the Company has experienced rapid growth. Tegatech's network of Authorised Resellers span both Australia and New Zealand. A strong collaboration with Microsoft Australia means that Resellers are supplied a steady source of Information and fed opportunities to leverage their own sales. With a strong commitment to conducting UMPC related training the Company is continuously providing support to the community.

Tegatech is currently looking for more Resellers to join their growing database.
