

Tegatech Australia to exhibit at CeBIT 2009

Taking advantage of a successful year Tegatech joins Premier IT show

Sydney, NSW, April 29, 2009 – Mobile PC Distributor Tegatech Australia, a leading wholesaler of mobile computing solutions, today announced its participation at CeBIT Australia 2009. Hosted within a 20sqm booth Tegatech will showcase their range of new and existing products for 2009. As a value-add to end-users Tegatech will also feature QLD Reseller Mobile Technologies to talk to our Vertical Markets and Government contacts.

“As Australia and New Zealand's premiere Wholesaler of Mobile PC hardware we are proud to announce our first involvement at the CeBIT Australia Fair this year.” said Tegatech Principal Hugo Ortega. We will be showcasing our product range of leading Mobile PC solutions including:

- **Kohjinsha:** Official Australian launch of the Kohjinsha range of Mobile PC which include a 7" and a 9" touchscreen solution. Come and see the SX & SR series with built-in DVD Super Multi Drive.
- **TabletKiosk MediSlate:** One of Australia's first Mobile Clinical Assistant (MCA) featuring: 2d barcode scanner, touchscreen, dual battery for hotswap and much more.
- **Samsung Q1-EX:** latest in the Samsung family of UMPC. Still with ultra bright 7" touch display, best of class battery life and a smaller footprint than ever.
- **Viliv S5 and X70:** our newest release from Korea and billed as the next most compelling case for the UMPC platform yet!
- **Rugged Computers by TabletKiosk, Twinhead, Xplore, DT Research, Getac and more!**

Offering expertise for rapidly evolving mobile PC technology, Tegatech Australia's specialist engineers and sales staff will be on hand to discuss your needs.

About Kohjinsha

Kohjinsha Computers, a Yokohama-based PC manufacturer was one of the first companies in the world to bring to market an ultra-mobile mini notebook and now have a comprehensive portfolio of notebooks available with unmatched features and value for money. The Kohjinsha range is now available in Australia, with new innovative models due for release over the next few months to broaden the range available.

About Mobile Technologies

Mobile Technologies is an Australian based, workforce mobility solutions provider. We specialise in providing the best hardware and software solutions that will improve both communication and organisation within companies who have a mobile work force. It is our mission to help you find the best software and hardware for your workforce mobility solution.
