## Enable Computers to showcase UMPC in November Tegatech Australia reseller puts on UMPC demonstration in Perth

**Sydney, NSW, 20<sup>th</sup> October 2009** – Ultra-Mobile PC Distributor Tegatech Australia, a leader in Mobile Computing Solutions, working in conjunction with Perth based reseller Enable Computers will showcase the latest from the Ultra-Mobile PC platform on the week of the 2<sup>nd</sup> - 6<sup>th</sup> November, Perth.

Enable Computers have a long history in WA as a supplier of specialist business computers. One market segment that has created much opportunity for businesses is the Ultra Mobile PC market. These machines typically run windows operating systems so users have access to standard line of business and productivity software on a device that is not much larger than a calculator.

Enable Computers, Sandra Brnjich stated: "There has been great interest in UMPC products in recent times, so Enable Computers have partnered with Australia's premier UMPC distributor, Tegatech Australia, to bring the range to Perth." The impressive product line will be on display at Enable Computers showroom located at 882 Hay Street Perth from the 2<sup>nd</sup> Nov to the 6<sup>th</sup> of Nov. *Hugo Ortega, Tegatech Principal and Australia's only Microsoft MVP for Touch and Tablet PC, will be present on Tuesday the 3<sup>rd</sup> and Wednesday the 4<sup>th</sup> of November for further discussions and client one-on-ones.*

Tegatech Australia Principal, Hugo Ortega, was quick to add: "Tegatech Australia is excited about the upcoming event and will be supporting Enable Technologies to make the week as effective as possible." Apart from the hardware showcase Tegatech will be conducting private meetings with key Enable end-users and partners in the region. "This year we have the most diverse range of mobile PC ever. It will be an entertaining week for all that attend with all end-users in the region are welcome to drop-in for a chat!"

### **About Enable Computers**

Enable Technology was born out of PKF IT Services in 2001, with the then manager Kim Sinclair taking up the reins of the new entity. From this time, Enable evolved into a boutique IT Services Company with well-established clients and proven support offerings. In 2007, Enable Technology acquired Hardware House Computers (now known as Enable Computers) to become the specialist product delivery arm of Enable.

### **About Tegatech Australia**

Tegatech Australia is a privately owned Company that has been in operation since 2003 as Australia's only Tablet PC specific Distributor. With a growing Channel of Resellers interested in Tablet PC the Company has experienced rapid growth. Tegatech's network of Authorised Resellers span the entire Nation and now reach into New Zealand. A strong collaboration with Microsoft Australia means that Resellers are supplied a steady source of Information and fed opportunities to leverage their own sales. With a strong commitment to conducting Tablet PC related training Tegatech is continuously providing support to the community. As usual Tegatech is currently looking for more Resellers to join their growing database.
