

Australia's best selling UMPC gets rugged!
OtterBox USA releases rugged housing for NEW Samsung Q1U

Sydney, NSW, 1st May, 2008 – Tablet PC Distributor Tegatech Australia, a leader in Mobile Computing Solutions, today announced the availability of the OtterBox 1990, a brand new rugged enclosure for the Samsung Q1U Ultra Mobile PC. Designed and manufactured by OtterBox of the United States the housing will be available to the Australia/New Zealand Resellers as early as May 2008. The Samsung Q1U is the highest selling UMPC in the Australian marketplace and long desired more street appeal; with this enclosure Tegatech hopes to make the device more appealing than ever.

The OtterBox 1990 for Samsung Q1U and Q1UP models is the most innovative UMPC case on the market. All I/O ports, navigation keys and the camera/webcam are fully accessible right through the case. With 3 layers of protection, peace of mind will be yours. This case offers bump, drop and scratch protection. **This OtterBox fits Samsung Ultra Mobile PC models that have Q1U or Q1UP as the prefix in the model name ONLY. Available in Yellow or Black.**

About OtterBox (from OtterBox website)

OtterBox cases are dedicated to all the klutzy, spontaneous, chaotic, graceless individuals who have broken a device or valuable due to their active lifestyle. From the beginning, we have protected valuables through innovation. This "innovative spirit" has allowed evolution in our product lines to safeguard the hottest technologies such as iPod's, smartphones, PDA's, Tablet PC's, UMPC, laptops and other devices. We take the idea of a protective case to the next level so customers can find the ideal solution for any work environment or adventure!

About the Samsung Q1 Ultra

The original Samsung Q1 has been available to Tegatech Resellers since September 2006. It has since been enhanced with a more ergonomic feel, doubled battery life, brighter screen, Intel Core Solo Processor and the ability to sport internal 3G modem.

Each Q1U provide up to 5hrs of battery life on the standard battery and include a split QWERTY keyboard. With RRP starting at \$1,799 with, 1GB of RAM and a 40GB HDD it is easy to see why the face of mobility has been changed forever by Tegatech Australia.
