

Mini K7 UMPC

Specification:	VIA C7-M® Mobile processor VIA chipset 1.2GHz Memory: 2GB Memory RAM
Storage Device:	60GB IDE HDD, Optional SSD
Display:	7" TFT touch panel with solution 800 x 480
Audio Device:	Input: built-in Mic input interface Output: AC97 integration sound card, SRS stereo sound Loudspeaker: Double track speaker output
Video Device:	Built-in high definition 300K or 1.3 mega pixels camera
Network:	10/100 MB Ethernet interface, built in Wifi. Support IEEE 802.11.B/G standard
Battery:	2200MA lithium battery, working hour: 2-3H
Input:	Touch and hand-writing panel Support USB2.0 built-out mouse, high sensitive touch pad
Interface:	USB connection: USB2.0 X 3 Video interface: VGAX1 Audio interface: ϕ 3.5mm/40mw X 2 stereo earphone output, ϕ 3.5mm/-56dB mic input
Network interface:	RJ-45 SD/MMC storage extension slot, max extension to 32GB DC12V/ 4A adapter
Operating Conditions:	
Working Temperature:	0-40 degree; Operating Humidity: 20%-80%
Storage Temperature:	20-60degrees; Storage Humidity: 10%-90%
Size:	22.8 cm \times 16.3 cm \times 3.4 cm
Operating System:	Support Windows® XP Home Edition / LINUX (optional)
Office Software:	Support office/WPS software, Edit file, Excel, PowerPoint & email.
Internet Application:	Support website, QQ, MSN, SKYPE and so on. Built in WiFi. Support IEEE802.11b/g wireless internet.
Entertainment:	Support music, video, Play Animation, picture browsing games, taking picture and so on.
Other Application:	GPS, Rotate 180 degree (optional)
Accessories:	Charger, System Recovery CD, User manual, Warranty , Battery & Cables...
